

# TILE CONTRACTORS ASSOCIATION OF HAWAII

The 18h Annual Pacific Building Trade Expo by the AIA/CSI at the Hawaii Convention Center was held on Tuesday, October 24, 2017 and the TCAH had a total of fifteen (15) member booths. Earl Maicus from Schluter Systems presented a seminar on the floor of the exhibition hall on Sound Control and Tiled Floors. This seminar served to highlight the key factors that should be considered when installing a tiled floor where sound control is a consideration. We thank our Associate/Supplier Members for promoting our tile industry!

The 19th annual expo will be a two-day event next year on November 14 & 15, 2018 and expected to provide an increase number of attendees.
